The Honorable Sam Graves

and Infrastructure
U.S. House of Representatives
Washington, D.C., 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting the inclusion of H.R. 6719 in the Water Resources Development Act of 2022.

H.R. 6719 would amend the Water Resources Development Act to move the counties covered by the Section 219 program into the programs covering central and southern West Virginia, based on the two new Congressional districts. This will provide greater funding flexibility in the state for the development of future environmental infrastructure projects.

I certify that neither I nor my immediate family has any financial interest in this policy change.

Sincerely,

A handwritten signature in blue ink that reads "Carol D. Miller".
