House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Jobs for West Virginia's Graduates fiscal year 2023. This project will support students from Mount View High School, River View High School, Chapmanville Regional High School, Logan High School, and Man High School to assist with drop-out prevention and school-to-work transitions.

The entity to receive funding for this project is the The West Virginia Chamber Foundation Corporation located at 1624 Kanawha Boulevard East, Charleston, WV 25311.

The funding would aid students in overcoming barriers by providing them with the resources and tools needed for a successful future within West Virginia's workforce.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller
Member of Congress
