Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for establishing a Medical Toxicology Center to provide enhanced toxicology services, medical education, and research in West Virginia in fiscal year 2023.

The entity to receive funding for this project is the Marshall University Research Corporation located at 1 John Marshall Dr., Huntington, WV 25755.

The funding would be used to build out, furnish, and equip the toxicology center.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
