House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Glen Morgan Wastewater Treatment Plant Upgrade.

The entity to receive funding for this project is the Shady Spring Public Service District located at 144 Grand View Road, Daniels, WV 25832 (P.O. Box 235 Beaver, WV 25813).

The funding would be used to upgrade the Glen Morgan Wastewater Treatment Plan to increase the capacity of the plant by more than 25% and allow Shady Spring PSD to increase the number of customers served. The project will provide for better sewer service for the existing 4,077 customers, and expand service to 427 additional customers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Carol D. Miller*
