Ranking Member Kay Granger
House Committee on Appropriations
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Law Enforcement K-9 Drug Interdiction Project for fiscal year 2023. This program funding will be used to purchase a K-9, necessary supplies, and training funds for the purpose of drug interdiction in the jurisdiction of Chapmanville, West Virginia. The Chapmanville Police Department is working to find solutions to combat higher overdose and death rates within Logan County than the national average. The focus of the project is to increase drug interdiction through use of the law enforcement K-9.

The entity to receive funding for this project is the Town of Chapmanville located at 68 Boise Street, PO Box 427, Chapmanville, WV 25508.

The funding will aid law enforcement in removing dangerous drugs like fentanyl and heroin off the streets by utilizing a K-9 officer.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller
Member of Congress
